

Congratulations Kindergarten, today is your day.
You are a bright shining light, that has learned lots each day.

You will shine in Grade one
As you get your work done.

Continue to use your mind
And always be kind.

You are special and loved.
So please don't forget,
That God has big plans
You aren't finished yet.

- H Morehouse

“You are precious to God and He loves you”

Isaiah 43:4
