

**Hello PACeS Family,**

As we begin our new school year together, I want to just provide you with a quick update regarding our first week of school. With any school year, we want to begin on the right foot and have an opportunity to meet together and develop open communication and procedures that we can continue through the school year.

On September 1, 2021 we will have our Teacher Connect Drop-in Times as listed below. These meetings will be an opportunity for parents to meet the staff and ask any questions they might have.

On September 2 and 7 there will be an Online Information and Training session that is required for all parents to help them fully understand the specific procedures and to receive training on accessing student accounts, homework, and general expectations for the PACeS learning environment. Students can choose to be part of these training sessions but the teachers will also be covering these topics during the first week of class.

Thank you so much for partnering with us as we start this new school year and I pray that each of you is experiencing a wonderful and restful summer break.

In His Service,

Mr. David Elias
